3. The Power and Water Corporation advises that the Water and Sewer Services Development Section (waterdevelopment@powerwater.com.au) and Power Network Engineering Section (powerdevelopment@powerwater.com.au) should be contacted via email a minimum of 1 month prior to construction works commencing in order to determine the Corporation's servicing requirements, and the need for upgrading of on-site and/or surrounding infrastructure.
4. A groundwater extraction licence may be required under the *Water Act 1992* for any bore used for purposes other than rural stock and domestic water supply. For advice on water extraction licences please contact the Water Licensing and Regulation Branch of the Department of Lands, Planning and Environment.
5. The Bushfires Northern Territory Division of the Northern Territory Fire and Emergency Services advises that firebreaks along boundaries or at appropriate locations shall be provided on each created lot of this subdivision.
6. The permit holder is advised that it is an offence to disturb or destroy prescribed archaeological places without consent under the *Heritage Act 2011*. Should any heritage or archaeological material be discovered during over the course of work, cease operation and please phone Heritage Branch of the Department of Lands, Planning and Environment.
7. For the purposes of best practice land management and environmental protection it is recommended that a Type 1 Erosion and Sediment Control Plan (ESCP) be developed in accordance with the Department of Lands, Planning and Environment ESCP Standard Requirements 2019 available at <https://nt.gov.au/environment/soil-land-vegetation>. The ESCP should be prepared prior to commencement of works and implemented during the construction phase (including clearing and early works); and all disturbed soil surfaces should be satisfactorily stabilised against erosion at completion of works. For further advice, contact the Land Development Coordination Branch: (08) 8999 4446.
8. There are statutory obligations under the *Waste Management and Pollution Control Act 1998* (the Act), that require all persons to take all measures that are reasonable and practicable to prevent or minimise pollution or environmental harm and reduce the amount of waste. The proponent is required to comply at all times with the Act, including the General Environmental Duty under Section 12 of the Act. There is also a requirement to obtain an authorisation prior to conducting any of the activities listed in Schedule 2 of the Act. Guidelines to assist proponents to avoid environmental impacts are available on the Northern Territory Environment Protection Authority website at <https://ntepa.nt.gov.au/publications-and-advice/environmental-management>. The Act, administered by the Northern Territory Environment Protection Authority, is separate

to and not reduced or affected in any way by other legislation administered by other Departments or Authorities. The Environment Operations Branch of the Environment Division may take enforcement action or issue statutory instruments should there be non-compliance with the Act.

9. All land in the Northern Territory is subject to the *Weeds Management Act 2001* (WM Act). The WM Act describes the legal requirements and responsibilities that apply to owners and occupiers of land regarding declared weeds. Section 9 general duties include the requirement to take all reasonable measures to prevent land being infested with a declared weed and to prevent a declared weed from spreading. There are additional duties including a prohibition on buying, selling, cultivating, moving or propagating any declared weed and the requirement to notify the Weed Management Branch of a declared weed not previously present on the land within 14 days of detection.

Should you require further weed management advice contact the weed management branch by phone on (08) 8999 4567 or by email to weedinfo@nt.gov.au.
