Annexure A – Student Travel Planner .................................................................................. 18
1. Introduction

Each year students going to and from schools in the Northern Territory undertake over one million bus trips. Northern Territory students traveling free of charge on designated School Buses is a benefit provided by the Government of the Northern Territory.

Most students behave appropriately most of the time. However, inappropriate behaviour by some students can make travel unpleasant for their peers, distract the driver, result in damage to vehicles or, in extreme cases, put bus occupants and other road users at serious risk.

To help ensure that bus travel is safe and enjoyable for all school students, the Department of Infrastructure, Planning and Logistics together with the Department of Education, bus operators, schools and police, have developed this Code of Conduct for students, schools, school bus drivers, bus operators and parents/carers.

2. What is the Code of Conduct?

The Code of Conduct for School Bus Travel (the Code) is a set of guidelines for students, parents/carers to follow when travelling on school buses. It forms the basis for the specific rules to manage behaviour on buses and at interchanges.

The Code also includes procedures for bus operators, bus drivers and schools to follow.

3. Who can Travel on School buses?

Students from years one to twelve attending primary, middle and senior schools in the Northern Territory can use the school bus network to travel to or from school. See 3.1 for information regarding the circumstances that transition students may be permitted to travel on the school bus network.

Parents/carers must ensure their children are competent to independently travel on board school buses and that they are able to identify their own bus stop or drop off location before they are allowed to travel on the bus.

For special needs school transport, please refer to the Transport for Students with Special Needs Policy.

For transport to and from Intensive English Unit Schools, please refer to the English as a Second Language page on the Department of Education website.

3.1. Transition students on school buses

Parents/carers can apply for transition students to travel on school buses through their school. The school principal will review the student's competence and independence to travel on the school bus. This could include considering whether the student will need to change buses, whether a parent/carer will be at the bus stop for drop off and pick up and whether the transition student will be travelling with a buddy or older sibling.

If the school principal supports travel for the student, they will forward student and travel arrangement information to the Department of Infrastructure, Planning and Logistics for approval.
3.2. Adults on school buses

Adults, including parents/carers, are not permitted to travel on school buses.

In special circumstances, the Department of Infrastructure, Planning and Logistics may permit an adult to travel on a school bus. For example, this could be a school employee assisting a bus driver with managing behavioural issues on a bus.

For this to happen, the school principal must submit a request to the Department of Infrastructure, Planning and Logistics. The request must include justification and a copy of the adult’s working with children clearance. The Department of Infrastructure, Planning and Logistics, in consultation with the Department of Education, will review and approve or not approve the request.

4. How does the Code benefit you?

The Code sets standards of behaviour and provides an agreed systematic process so that disruptions or inappropriate behaviour by students are dealt with quickly and fairly. It also aims to minimise the number and severity of these disruptions.

The behavioural standards table in Section 5 lists some of the types of behaviour expected on school buses.

5. What are the Standards?

Parents/carers should discuss these standards with their children so they clearly understand what they should and should not do.

For most students, complying with the Code will not require any change in their current behaviour. By continuing to act in accordance with the Code, students will help ensure that all passengers have a comfortable and safe journey.

Bus drivers also abide by this Code. To provide feedback on bus driver behaviour, please contact the Department of Infrastructure, Planning and Logistics in the first instance on 8924 7666.

Table 1: Behavioural Standards for School Bus Travel

<table>
<thead>
<tr>
<th>Behaviour</th>
<th>Examples of how to meet the Code of Conduct</th>
</tr>
</thead>
<tbody>
<tr>
<td>Respect other people and property</td>
<td>- Treat other people and their possessions with respect.</td>
</tr>
<tr>
<td>Wait for the bus in an orderly manner</td>
<td>- Make a seat available for those who may require it, i.e.: student who is injured / on crutches.</td>
</tr>
<tr>
<td></td>
<td>- Follow the bus driver’s directions without argument.</td>
</tr>
<tr>
<td></td>
<td>- Do not interfere with bus property, equipment, shelters or signs by marking, removing or damaging them.</td>
</tr>
<tr>
<td></td>
<td>- Store school bags/equipment under the seat or in appropriate luggage areas.</td>
</tr>
<tr>
<td></td>
<td>- Report other passengers who are deliberately damaging bus property, equipment, shelters or signs to the</td>
</tr>
<tr>
<td></td>
<td>driver or a parent / carer.</td>
</tr>
<tr>
<td></td>
<td>- Wait well back from the kerb or roadside until the bus stops and allow other passengers to leave the bus</td>
</tr>
<tr>
<td></td>
<td>first.</td>
</tr>
</tbody>
</table>
### Behaviour

<table>
<thead>
<tr>
<th>Examples of how to meet the Code of Conduct</th>
</tr>
</thead>
<tbody>
<tr>
<td>• Stand quietly without calling out or shouting in an obscene, unruly or aggressive manner.</td>
</tr>
<tr>
<td>• Do not push or shove other people and step onto the bus in single file.</td>
</tr>
</tbody>
</table>

**Students must:**
- Follow all instructions issued by the driver, and must wear seat belts if they are fitted.
- Middle School and Secondary students are to produce a valid Student ID card if requested by the bus driver / operator, Transit Officer or Police Officer.
- Sit properly on a seat if one is available (in an allocated seat if directed by the driver).
- If standing, remain in the designated area (i.e.: stand behind the front passenger seat) and ensure a good hand hold on the strap, chair or railing.
- Speak quietly and do not create unnecessary noise that may distract the driver.

**Students must not:**
- Stand on the bus, if standing is not permitted. For more information on when standing is permitted on school buses, please refer to the [Standing on Buses Policy](#).
- Sit in the luggage compartment.
- Move around on the bus or unbuckle the seat belt while it is in motion.
- Place feet or jump on the seats, or stand forward of the front passenger seat.
- Fight, bully, harass or intimidate other vehicle occupants. If an incident occurs, inform the bus driver as soon as practical.
- Interfere with the driving controls, emergency exits, switches.
- Vandalise or damage a seat belt fitted to a school bus or other students’ property.
- Distract the driver.
- Play audible music (loud music that may distract the bus driver) without the permission of the driver.
- Swear, yell and spit or use offensive language.
- Smoke or consume food and drink without the permission of the driver (other than water from a sealable container).
- Throw any article around or from the bus.
- Leave rubbish on the bus, or at stops or Interchanges.
- Allow any part of their body to protrude from the bus while it is in motion.
- Carry dangerous items (such as knives etc.).
- Use a mobile phone or another device of any description, to film, photograph or otherwise obtain image or audio of other passengers, drivers or their surroundings either inside or external to the vehicle.
- Possess, discuss or distribute any material that may be considered inappropriate or offensive (for example material of a violent or sexually explicit nature).
### Behaviour

</tbody>
</table>

#### 6. Closed Circuit Television (CCTV)

Closed Circuit Television (CCTV) cameras are one of a number of measures that help to reduce inappropriate behaviour and reduce fear of criminal activity in a defined area. This system is used throughout the school bus network and operates in line with applicable law and guidelines.

Where CCTV is fitted, the footage is stored for up to ten days by the bus operator. Where a serious offence has occurred such as an assault, carrying a dangerous item or destruction of bus operator property the footage will be stored for up to 12 months or a longer period of time.

CCTV footage will be used in investigations in relation to incidents on the school bus or at bus interchanges.

Due to information privacy principles, parents/carers are not usually permitted to view CCTV footage. However, parents and guardians can request to view CCTV footage through school principals, in the case of disciplinary matters, or the NT Police, in the case of potential offences. School principals are required to consider requests in accordance with the information privacy principles contained in the Information Act 1992.

For further information refer to the Passenger Transport Branch's Policy on Public and School Bus Closed Circuit Television Systems (CCTV).

#### 7. Responsibilities

##### 7.1. Student Responsibilities and Consequences

**7.1.1. On the Network**

Parents/carers must be confident that their children are competent to travel independently on board school buses and ensure that they are able to identify their own bus stop or drop off location.
Students should immediately inform the bus driver if they miss their desired bus stop or if they have caught the wrong bus. The bus driver will then contact the bus operator to clarify the correct procedure to ensure the student is safely transported to or from school.

School bus network morning services will only drop off at school and no other location on the route of travel without prior written approval from the school with the consent of the parent/carer.

If Middle and Secondary School students wish to travel on school buses and are not in school uniform, they should provide a valid student photo identification in order to get free travel. If they do not have a valid student ID they may need to pay the fare. However, it is expected that a student should not be left behind under any circumstance.

7.1.2. What happens if students do not comply with the Code?

To promote consistency and fairness in responding to students who do not follow the Code, inappropriate behaviour has been divided into three categories.

There are various actions that may be taken if a student does not follow the Code. These range from a warning, banning from travel or possible civil or police action.

The following factors will be taken into consideration when categorising the breaches of the Code:

- the threat to the safety of passengers on the bus and the nature of the incident;
- the seriousness of the breach;
- the age of the student; and
- whether the breach was the first or one of a series of incidents about which the student had been previously cautioned.

For further information please refer to the Section 10 Procedures for Managing Inappropriate Behaviour.

7.1.3. Category 1 – Nuisance and Offensive Behaviour

Examples – This includes behaviour that may be irritating or unpleasant but is not physically dangerous. These behaviours might include, but are not limited to:

- failing to show a student identification card upon request;
- supplying a false name or no name when requested;
- failing to report observations of breaches of “the code” to a person of authority (parent, teacher or bus driver/operator), unless doing so may place the student at risk;
- not waiting for the bus to stop before moving to get off;
- continually and unnecessarily pushing the STOP bell;
- eating and drinking on the bus (other than water from a sealable bottle) without the permission of the driver; or
- using offensive body language or language (e.g. swearing or racist language).

Result – Repeated incidents within a 10 week period will result in a written warning being forwarded to the school by the bus operator. Repeated offences may lead to a ban on the student travelling for up to 10 school days.
7.1.4. Category 2 – Dangerous Behaviour

**Examples** – This category includes behaviours where there may be some physical danger to individuals or assets, including, but not limited to:

- distracting the driver by persistent noise (e.g. yelling and shouting);
- spitting;
- bullying, harassing and intimidating other passengers;
- damaging other students’ property;
- allowing any part of their body to protrude from the bus while it is in motion;
- not wearing an available seat belt in a seat belt-equipped bus;
- standing or sitting on the steps or in areas that are not set aside for standing, or refusing to sit down;
- moving about the bus while it is in motion;
- swinging on handrails;
- crossing the road in front of, or behind the bus, before the bus has moved away;
- deployment of spray-on deodorant/perfume while on the bus;
- using electronic devices to record visual or audio recordings;
- throwing objects inside or outside the bus;
- deliberately stopping others from getting off the bus;
- group inappropriate behaviour (e.g. yelling and shouting, throwing objects etc.); refusing to obey reasonable instructions from the driver; or
- verbally threatening the driver.

**Result** – Such behaviour may result, with no warnings given, in a ban on the student travelling for up to 15 school days.

7.1.5. Category 3 – Very Destructive and Dangerous Behaviour

**Examples** – This category includes behaviours that are very dangerous to individuals or very destructive such as:

- fighting;
- smoking;
- using matches or lighters;
- carrying dangerous items (e.g. knives etc.);
- pushing other passengers out of the doors or windows;
- deliberately interfering with the driving controls, emergency exits or switches;
- destruction of bus operator property (e.g. breaking windows, slashing seats and seat belts); or
- physically attacking students or the driver.

**Result** – Such behaviour will result in an immediate 20 school day bus travel ban (with no warnings) while decisions are made by the bus operator about the duration of a longer term ban which may lead to the permanent refusal of travel privileges, or possible civil or police action.

The cost of repair of damage to a bus operator’s property may be sought from the student’s parent/carer.

7.1.6. Repeat Offenders

Where a student has been a repeat offender (for example, three periods of banned travel within a 12 month period), the Department of Infrastructure, Planning and Logistics’ Manager Public Transport, or a representative will meet with the Department of Education, bus...
operator, school principal, parent/carer and school based constable to review the appropriateness of a travel ban of up to 12 months.

The bus operator and school principal may need to consider if the student’s return to the bus is conditional on the parent/carer, student and bus operator signing a written behaviour management agreement setting out conditions for travel. If the student breaches the agreement, then refusal of travel is immediate.

7.1.7. Reporting Incidents

Students are encouraged to immediately report incidents where other students are breaching the Code to a person of authority (i.e. the driver, a teacher or a parent / carer).

Students should try to immediately report all incidents of inappropriate behaviour to the driver, particularly incidents involving deliberate damage to bus operator or other students’ property. If a student feels unsafe doing so, the student should try to report the incident as soon as possible after the incident, to a teacher or parent / carer.

7.2. School Responsibilities

Schools and school principals play a key role in advising students of their responsibilities and the consequences of breaching the Code.

School principals are responsible for contacting the parents/carers of children who have received warnings or banning letters and informing them that such letters have been received. If the parents are unable to be contacted prior to the commencement date of the ban, the school must advise the bus operator.

Schools also assist by:

- providing Road Safety Education in particular road crossing after students get off buses;
- ensuring the school community is aware of the Code and how to access it;
- communicating with students about the importance of adhering to the Code;
- providing assistance in managing breaches of the Code in consultation with the relevant bus operator and parents/carers;
- manage requests and complaints by parents/carers regarding a banning notice or seeking to view CCTV;
- review and, if appropriate, provide written approval for a student to be dropped at an alternate location on the way to school in the morning, e.g. doctor appointment.

7.3. Parent or Carer Responsibilities

Parents/carers have responsibility for the behaviour of their children and hold primary responsibility for ensuring their child attends school. Accordingly, they should:

- ensure their child understands the Code, is competent to independently travel on the school bus network, can cross the road safely and can identify their own bus stop or drop off location;
- understand the school bus network is complex and may not be able to meet all transportation requests;
- be aware that school bus transport is primarily provided to the nearest appropriate Government schools, and school bus network morning services only drop off at schools and no other location on the route of travel;
• if requested, attend a meeting with the bus operator and school principal to discuss their child’s inappropriate behaviour and the consequences if the child’s behaviour has breached the Code;
• contact the bus operator to discuss matters regarding their child’s school bus travel (it is not appropriate for parents/carers to discuss these matters with bus drivers);
• contact the school in the event that their child reports an incident of another students’ inappropriate behaviour;
• recognise that if their child is refused travel, they will need to make alternative travel arrangements and meet any costs for such transport; understand they may be required to afford restitution in cash to cover costs incurred by damage to bus property, equipment, shelters and signs;
• understand that parents/carers are not permitted to travel on school buses;
• understand that bus drivers and buses may change school routes due to operational requirements;
• understand that bus drivers cannot be expected to know each child’s origin and destination (e.g. which stop they need to get off at);
• ensure that a backup wet season travel plan is in place so that children have alternative arrangements available if flooding restricts the operation of normal school bus services;
• understand that bus operators may review images captured on security systems such as Closed Circuit Television (CCTV), to substantiate claims of breaches of the Code;
• understand that a request to view CCTV must be submitted through the school or Police in the first instance and not directly from the bus operator; and
• realise that a record of a student’s inappropriate behaviour will be kept on file.

7.3.1. Student Travel Planner

A Student Travel Planner is available (see Appendix) to assist parents / carers in planning their child’s travel to and from school.

All parents and primary caregivers are encouraged to use this checklist to help get their child safely to and from school.

7.4. Bus Driver and Operator Responsibilities

Bus drivers are responsible for the general operation of the bus including:
• driving in a safe manner and taking reasonable care for the safety of the passengers (students); and ensuring no student is left in a bus at the end of service;
• complying with all legal requirements of the relevant legislations and Code;
• treating all students with respect;
• contacting the bus operator for clarification of correct procedures when a student informs them that they have missed their stop or caught the wrong bus;
• providing reasonable directions to ensure the safety and comfort of the students;
• contacting the bus operator for clarification of correct procedures if there is any uncertainty in relation to student inappropriate behaviour; and
• ensuring that no person travels on a dedicated school bus other than a student or a duly authorised person.

When a student breaches the Code of Conduct the bus driver shall:
• advise the student that their behaviour was inappropriate;
• request the student’s name and school;
• advise the student that they will be reported to the school and bus operator and that their
behaviour may be investigated; and
• record the incident and pass this information onto the bus operator, which will then make a
determination of the appropriate action. When the outcome is an actual ban for more
serious inappropriate behaviour, the CCTV footage will be stored and forwarded to the
school, Department of Infrastructure, Planning and Logistics for further consideration.

7.4.1. Students not to be put off buses for inappropriate behaviour

Bus operators should not remove students for inappropriate behaviour from a dedicated school
bus while on route.

However, where the bus operator or driver holds a reasonable belief that a student constitutes, or
is likely to constitute an immediate danger to the health, safety or wellbeing of the student or any
other person, the driver may:

• stop the bus and arrange for the student to be removed and placed in the care of Police or
teacher from the school. Transit Safety may be called upon to assist, however, students
should not be placed in their care;
• if there is a health problem, radio in for assistance and an ambulance.

7.5. Department of Infrastructure, Planning and Logistics
Responsibilities

The Department of Infrastructure, Planning and Logistics has overall administrative responsibility for
public transport in the Northern Territory. The Department has responsibility for developing and
distributing the Code of Conduct for School Bus Travel in consultation and conjunction with schools,
the NT Police, the Department of Education, bus operators, parent groups and non-government
organisations.

8. Fair Processes

Students will only be refused travel after the bus operator has informed the school principal in
line with the Section 14 Procedures for Managing Inappropriate Behaviour

If parents/carers have any questions about decisions made by bus operators in responding to
breaches of the Code, they should take the matter to the school concerned. The school should
contact the Department of Infrastructure, Planning and Logistics if the matter cannot be resolved.
If parents/carers remain dissatisfied with the bus operator’s decision, they may contact the
Department of Infrastructure, Planning and Logistics and request a review of the decision.

Bus operators should note that the Department of Infrastructure, Planning and Logistics may issue
an instruction that a bus operator’s decision to refuse travel to a student be deferred while the
matter is being investigated in consultation with stakeholders. The bus operator and drivers must
follow this instruction.

9. Procedures for Managing Inappropriate Behaviour

Bus drivers are responsible for the safe carriage of students travelling to and from school on both
dedicated school buses and public transport buses. In cases of student inappropriate behaviour, the
driver will follow these procedures.
Depending on the nature of the inappropriate behaviour, this may involve simply cautioning the student on the spot, formally recording the inappropriate behaviour as part of the driver’s own record, or immediately reporting the incident to the bus operator for follow up, which may lead to a ban on school bus travel.

Where a ban is imposed for more serious behaviour such as an assault, carrying a dangerous weapon or destruction of bus operator property, the bus operator will provide a copy of the CCTV footage to the school and Department of Infrastructure, Planning and Logistics for further reference.

For most students, complying with the Code of Conduct for School Bus Travel will not require any change in their current behaviour. By continuing to act in accordance with this Code, students will help ensure that all passengers have a comfortable and safe journey. Section 5 lists examples of behavioural standards expected by students.

Flowcharts displaying the procedures for each of the three categories are on the following page.
9.1. Category 1 Procedure

**First Incident**

**BUS DRIVER:**
- Notes student’s name, details of incident and action taken (e.g. in a diary), advises student that this information will be retained for bus operator’s records.
- Advises verbally which behaviour was inappropriate.
- Reminds student of consequences of repeated offences.

**Revised Incidents**

**BUS DRIVER:**
- Issues another caution.
- Advises student of consequences of repeated offences.
- Notes student’s name, details of incident and action taken (e.g. in a diary), to be retained for bus operator’s records.
- Advises student that matter is to be reported to bus operator, school principal and parent / carer.
- Advises bus operator of student’s name / details.

**No further incidents**

**No action required**

**SCHOOL:**
- Ensure parent / carer is aware of written warning letter issued to student within two days.
- Advises the bus operator if the warning letter has not been received by the parent / carer.
- If no parent / carer can be contacted, refer to school principal who will discuss the matter with the bus operator to determine the most appropriate action. Note: In these circumstances, if it should be determined that a student poses an unacceptable risk to themselves or other bus users, a banning notice may proceed while the school continues attempts to contact the parent / carer.

**BUS OPERATOR / DRIVER:**
- If the student has been banned, then after a period of two school days carriage to and from the school will not be offered. Should the student attempt to board the bus the operator will contact the school to have the ban enforced.
- Bus operator advises Department of Infrastructure, Planning and Logistics and Department of Education of action taken.
9.2. Category 2 Procedure

**Incident**

**BUS DRIVER:**
- Issues caution.
- Advises student of consequences of repeated offences.
- Notes student's name, details of incident and action taken to be retained for bus operator's records.
- Advises student that the matter is to be reported to bus operator, school principal and parent / carer.
- Advises bus operator of student's name and details.

**BUS OPERATOR:**

Very Destructive
- Issues written warning / banning letter to student's parent / carer via the school with a copy sent to the Department of Infrastructure, Planning and Logistics and Department of Education.

**SCHOOL:**
- Ensure parent / carer is aware of written warning / banning letter issued to student within two days.
- Advises the bus operator if the warning or banning has not been received by the parent / carer.
- If no parent / carer can be contacted, refer to school principal who will discuss the matter with the bus operator to determine the most appropriate action.
- Note: In these circumstances, if it should be determined that a student poses an unacceptable risk to themselves or other bus users, a banning notice may proceed while the school continues attempts to contact parent

**BUS OPERATOR / DRIVER:**
- After a period of two school days, carriage from the school will not be offered. Should the student attempt to board the bus the operator will contact the school to have the ban enforced.
- Bus operator advises Department of Infrastructure, Planning and Logistics and Department of Education of action taken.
9.3. Category 3 Procedure

**BUS DRIVER:**

**Very Destructive**
- Report matter to bus operator.
- Notes student’s name, details of incident and action taken (e.g. in diary), to be retained for bus operator’s records.
- Advises student that matter is to be reported to bus operator, school principal and parent / carer.

**Dangerous Behaviour**
- Takes all reasonable measures to ensure safety of passengers. (In an extreme emergency, contact Police and follow Police instructions).
- Report matter to operator.
- Notes student’s name, details of incident and action taken (e.g. in a diary), to be retained for bus operator’s records.
- Advises student that matter is to be reported to bus operator, school principal and parent / carer.

**BUS OPERATOR:**

**Very Destructive**
- Issues written banning letter to student’s parent / carer via the school with a copy sent to the Department of Infrastructure, Planning and Logistics and Department of Education.
- Downloads the CCTV footage and provides it to the school, Department of Infrastructure, Planning and Logistics and Department of Education for future reference.
- Phones school to follow up letter.

**Dangerous Behaviour**
- Immediately advises Transit Officer, Police and School Principal or contact Department of Infrastructure, Planning and Logistics on 8924 7297.
- Issues banning letter to student’s parent / carer via the school with a copy sent to the Department of Infrastructure, Planning and Logistics and Department of Education.
- Downloads the CCTV footage and provides it to the school, Department of Infrastructure, Planning and Logistics and Department of Education for future reference.
- In consultation with school and parent / carer determines longer-term period that student will be refused travel.

**SCHOOL:**
- Immediately advises parent / carer of banning letter issued to student.
- Advises the bus operator if the banning letter has not been received by the parent / carer. If no parent / carer can be contacted, refer to school principal who will discuss the matter with the bus operator to determine the most appropriate action.
- Note: In these circumstances, if it should be determined that a student poses an unacceptable risk to themselves or other bus users, the banning notice may proceed while the school continues attempts to contact parents / carers.
10. Critical Incident Management

In rare circumstances a critical incident will occur during the delivery of school bus services.

A critical incident is an incident that significantly impacts on the normal transport of students to and from school using school transport services contracted by the Department of Infrastructure, Planning and Logistics.

A critical incident response is coordinated by the Department of Infrastructure, Planning and Logistics in close consultation with the Department of Education, bus operators and other key stakeholders according to the roles and responsibilities outlined in the Critical Incident Response Plan for Public and School Transport. Student safety is the primary concern in responding to a critical incident.

11. Review

The Code is reviewed by DIPL on a three-yearly basis.

12. Contact Details

Annexure A – Student Travel Planner

**Student Travel Planner**

**Does my child?**

- Understand the Code of Conduct for School Bus Travel?
- Know the bus number and stop to school?
- Know the bus number and stop from school?
- Know what do they do if they miss their normal stop?
- Need a school bus buddy?
- Know their wet season backup travel plans?

**How can I help?**

- Read the Code of Conduct for School Bus Travel.
- Ensure your child is capable of travelling independently.
- Practice walking your child to and from their bus stop.
- Ensure your child stays back from the road and waits until the bus stops.
- Discuss what to do if your child misses their stop: stay on the bus and tell the driver, don’t get off at the next stop.
- Discuss wet season backup travel plans.

- Practice walking to and from school.
- Set an example, always use the crossings.
- Be sure to wait for traffic to stop before crossing.

- Always wear a seatbelt/child restraint.
- Discuss being a safe passenger.
- Discuss safe school drop off and pick up with your child.
- Discuss using the car safety door: rear door closest to the kerb to enter and exit.

- Always wear a helmet.
- Practice riding to and from school with your child.
- Discuss the safest places to cross the roads.
