Approved Form 24 - Notice of Application for the Grant of a Mineral Title

Section 66 of the Mineral Titles Act 2010 (the Act) requires all applicants for a mineral title to serve a notice on the landowner of each parcel of land affected by the application, no later than 14 days after lodging the application with the Department of Primary Industry and Resources (the Department).

Previously this requirement applied to each landowner identified through a search of the land register (ILIS) only, however as provided for at s66(3) of the Act this has now expanded to incorporate the station/land manager, where the application is for an exploration licence and falls over a pastoral lease.

This template form is to be used for all notifications and proof of service required by s66. The form is made up of three sections.

Section A: Applies to all applications

Completion is mandatory for ALL mineral title applications and this section of the form must be sent to each landowner identified as being affected by the application.

Section B: Applies to an application for an exploration licence on pastoral land only.

In addition to section A, this section of the form must be completed where the application is for an exploration licence on pastoral land. The notice must be emailed to the address below for re-direction to the relevant Station/Land Manager. The email address for the service of this notice is:

- pastoralnotifications.dpir@nt.gov.au

This section provides the opportunity for the Station/Land Manager to acknowledge receipt of the notice by returning it directly to the applicant within 14 days of receiving the notice.

Receipt of notice is deemed to have occurred after this period of time, even if no acknowledgement is received by the applicant.

Any acknowledgements received by the applicant must be provided to the Department.

Section C:

No later than 14 days after the service of section A notices, and if required section B notices, the applicant must provide proof of service to the department. You are not required to provide copies of the notifications or registered post slips but you must complete section C of this form and send it to the Department.

The completed page can be sent by post or email as follows:

Department of Primary Industry and Resources – Mineral Titles
Address: 5th Floor Centrepoint Building, 48-50 Smith Street, DARWIN NT 0800
Postal Address: GPO Box 4550, DARWIN NT 0801
Phone: 08 8999 5322
Email: titles.info@nt.gov.au
