Quarantine Places
 On 21 May 2018, I declared certain areas to be a quarantine place for the control of citrus canker under section 18 of the Plant Health Act (the Act). The quarantine place includes two identified areas; restricted areas and control areas. The boundaries of these areas are defined through maps in a Gazette notice No S85 which can be viewed at this website <https://nt.gov.au/about-government/gazettes>
