

# Interstate driller licence conversion

## Water Act 1992 section 49

Form S49A

This is an approved form in accordance with regulation 3 of the Water Regulations 1992. Information on this form is being collected for the purposes of assessing your application for a driller licence under the Water Act 1992. This form must be completed by the legal entity seeking the licence or their authorised representative.

### Lodging information

In accordance with Water Regulation 3(4), if a person provides an application with insufficient information to enable a proper decision to be made, the department may return the application for completion.

An application is lodged when this application form is complete with an attached Module A Exam. You must score at least 80 per cent on the Module A Exam for your application to progress. Please use the checklists provided below to ensure all requirements are met and your application is complete.
