

Application to amend a licence

Water Act 1992 section 93

Form 93

Under section 93 of the Water Act 1992, the Controller of Water Resources may amend the terms and conditions of a licence. This is an approved form under regulation 3 of the Water Regulations 1992. The information in this form is being collected for the purpose of assessing a request to amend the terms or conditions of a licence under the Water Act 1992.

Lodging an application

Under regulation 3(4), if a person provides an application with insufficient information to enable a proper decision to be made, the department may return the application for proper completion. An application for a licence amendment will be lodged when this application form is complete, that is, sufficient information is provided to enable a proper decision.

1. Licence details			
Licence number		Expiry date	
Licence holder			
Contact person			
Phone number		Mobile number	
Email address for all correspondence			
2. How would you like to change your licence?			
Provide details on how you would like to change the licence. If you would like to change a specific condition, include the condition number. Changes to extraction points in some instances may affect groundwater-dependent ecosystems or other users and a more detailed licensing assessment process may be required.			
If you are seeking additional water you will need to complete and submit an Application for a water extraction licence - Form 45/60, instead of this Form 93.			

3. Why would you like to change your licence?

Provide reasons why you want to make the proposed changes. If you are proposing a change to the extraction point, explain what, if any, impact that change would have on groundwater-dependent ecosystems or other water users.

4. Public register

Under section 95 of the Act, the Controller of Water Resources must keep a register of water extraction licences. The register must be publicly available on the department's website and must contain the following information (regulation 17):

- the name and address of the licence holder
- the date on which the licence is due to expire
- the location of the property from which the water is currently taken
- the maximum quantity of water that may be taken annually
- the source of the water that may be taken.

The Controller of Water Resources will also make a copy of this application and any licence amended as a result of this application publicly available from the department's website.

The Controller of Water Resources has the power to suppress information if satisfied there are grounds of commercial confidentiality. You may apply to have commercially confidential information withheld by using the appropriate approved application form available from the department's website.

I acknowledge that the information described above will be freely available from the department's website.	Yes / No
--	----------

I have completed and attached an application to have commercially confidential information withheld.	Yes / No
--	----------

5. Consent

Do you consent to receive all ongoing service of documents associated with this application and any future licence via the email address, as provided above?	Yes / No
--	----------

Do you consent to being contacted from time to time by the Water Resource Division about water activities, including monitoring activities, management programs, water planning and updates to policies and procedures?	Yes / No
---	----------

6. Declaration

A person with legal authority must sign the declaration. For a licence to be granted in the name of each person in a partnership or a joint interest, each partner or joint interest must sign the declaration.

I hereby declare that the information provided in this notification and accompanying document is to the best of my knowledge, true and correct.
