Suitable for most ages and fitness levels. Some bushwalking experience recommended. Tracks may have short steep hill sections a rough surface and many steps. Walks up to 20 km.	Bushwalking experience recommended. Tracks may be long, rough and very steep. Directional signage may be limited.	Very experienced bushwalkers with specialised skills, including navigation and emergency first aid. Tracks are likely to be very rough, very steep and unmarked. Walks may be more than 20 km.

INFORMATION SHEET

Nitmiluk National Park

Southern Walks

Explore the Katherine Gorge system and surrounding escarpment via the Southern Walks; where you can enjoy spectacular views, swimming and camping away from the crowds.

The network of tracks begin near the Nitmiluk Visitor Centre with a climb, high onto the rocky escarpment. All are return walks.

Be aware that it is hot and rugged up on the escarpment so choose a walk that suits your level of fitness and follow the guidelines here for a safe and enjoyable walk.

Permits and Fees

For overnight walks, all walkers **must obtain a permit** at the Nitmiluk Visitor Centre between 8am and 1pm. The Parks Information Desk is located in the Centre and is open from 8am to 4pm.

Camping is only permitted at Dunlop Swamp, Smitt Rock and the 8th Gorge. Camping fees of \$3.30 per person per night apply and will be collected when you obtain your permit at the Nitmiluk Centre.

All walkers should let someone responsible know where they are going and when they will be back.

Long term parking is located at the Ranger Station.

As a minimum, all walkers should carry:

- 3 litres of water per person per day
- a Personal Locator Beacon (PLB) or satellite phone on longer walks
- sturdy footwear and thick socks
- broad-brimmed hat and sunscreen
- basic first aid kit
- pocket knife
- insect repellent and mosquito net
- matches or lighter
- gas or fuel stove - open fires are not permitted.

Trail Conditions

The walking trails vary in difficulty and length. Refer to the list of walks on the back of this sheet for a summary of the conditions you can expect on each trail.

Stay on the marked trails at all times.

Trail markers are usually located every 20-50 metres. Intersections are marked by sign posts. If you have walked for 100 metres without seeing a marker, go back to the last marker and find the next marker. Be aware that often worn paths through the bush are animal tracks, not the walking trail.

It can be extremely hot between September and December. Temperatures on the escarpment are often 10°C hotter than near the river. Walk in the cool of the day and drink plenty of water. Check at the

All walks are marked by coloured triangles on a white background.

Nitmiluk Visitor Centre for the availability of drinking water.

Emergency Contact

Emergency Call Devices (ECDs) are located at various locations, as shown on the map.

ECDs are for:

- contacting a Ranger in an emergency

Checkpoints

For your safety please register your passing in the checkpoint book at Dunlop Swamp. This can help Rangers locate you in an emergency.

IN AN EMERGENCY

Call 112 - mobile reception can be poor to unavailable on the walks.

Southern Rockhole.

Nitmiluk National Park Southern Walks

View of the Gorge from Pat's Lookout, on the Waleka Walk.

Toilets only at Smitt Rock, Dunlop Swamp, and 8th Gorge campsites. At all other sites please bury waste at a depth of 30 cm, well away from campsites and waterways.

Look after yourself and the Park

- Carry and drink at least three litres of water each day.
- Wear sturdy shoes, a hat and sunscreen.
- Take care on the steep tracks and loose rocks.
- Open fires are not permitted in the Park.
- Please take all your rubbish out with you.

Southern Walks map located here. Please check carefully that you are headed in the right direction at this point.

DO NOT COMMENCE THE SOUTHERN WALKS UNLESS WELL PREPARED TO DO SO.
