Reasons for Decision

NORTHERN TERRITORY PLANNING SCHEME 2020

Amendment No. 77

Amendment 77 inserts subclause 3(x) to Schedule 3 "Exceptions". The introduction of this subclause means that mobile food and drink premises that operate on public land or a road reserve controlled by a Government agency or Local Government Council are exempt from the NT Planning Scheme 2020, provided that approval has been obtained from the controlling agency for the land.

I approved this amendment without public exhibition because:

- the exception facilitates a continuation of existing processes for regulating mobile food and drink premises; and
- in instances where the exception applies it remains subject to compliance and approval from controlling Government agencies.
