Subclause 3(r) in Schedule 3

3(r) the temporary use of Stokes Hill Wharf carpark, Lot 10156 Town of Darwin, for the purpose of installing and operating a Skyline Precinct (Observation Wheel and associated activations including mini-golf) until 11 November 2022, subject to compliance with all other relevant Northern Territory legislation.

**NORTHERN TERRITORY OF AUSTRALIA**

***Planning Act 1999***  
**Section 29**

**Reasons for Decision**

**NORTHERN TERRITORY PLANNING SCHEME 2020**  
**AMENDMENT No. 50**

Amendment 50 replaces subclause 3(r) to Schedule 3 "Exceptions". The introduction of this subclause means that the NT Planning Scheme 2020 does not prevent the use of Lot 10156, Town of Darwin (Stokes Hill Wharf) for the purpose of installing and operating a Skyline Precinct (Observation Wheel and associated activations including mini-golf) until 11 November 2022, subject to compliance with all other relevant Northern Territory legislation.

I approved this amendment without public exhibition because:

- it will facilitate the operation of a landmark tourist attraction during the peak tourism period;
- the exemption is temporary; and
- the use is subject to compliance with all other relevant Northern Territory legislation.
