AMENDMENT No. 285**

I, PETER GLEN CHANDLER, the Minister for Lands, Planning and the Environment, under section 28(1) of the *Planning Act*, give notice that -

- (a) I have, under section 25 of the Act, amended the Northern Territory Planning Scheme by rezoning Lot 1 (46 Noble Street) Town of Tennant Creek from Zone SD (Single Dwelling Residential) to Zone MD (Multiple Dwelling Residential); and

NORTHERN TERRITORY OF AUSTRALIA

Planning Act
Section 29

Reasons for Decision

NORTHERN TERRITORY PLANNING SCHEME AMENDMENT
AMENDMENT No. 285

The amendment will facilitate the development of the site for multiple dwellings, under the requirements of the NT Planning Scheme.

The site is considered suitable to support the dwelling density envisaged under Zone MD (Multiple Dwelling Residential) provisions.

The range of land uses allowed for under Zone MD (Multiple Dwelling Residential) emphasise that any subsequent development/use of the site will continue to be for residential purposes.

The amendment will allow infill development for multiple dwellings and will provide the potential for greater housing choice and type in Tennant Creek. Multiple dwelling development of this site would be consistent with several other developments within the area.

The amendment is considered to be consistent with the strategic direction provided by the Northern Territory Planning Scheme, in particular the proposed Planning Principles for Tennant Creek which supports maximising options for urban infill.

Amendment No. 285 rezones Lot 1 (46) Noble Street, Tennant Creek to Zone MD (Multiple Dwelling Residential).
