 Registration number of truck with the Waybill: _____
 Registration numbers of all other trucks transporting this consignment: _____

ENTRY REQUIREMENTS TO THE NORTHERN TERRITORY and EXPLANATORY NOTES (for Deer, Camels, Alpacas and Llamas Only)

A **NT Health Certificate and Waybill** is required for all of the following species entering the Northern Territory, cattle, buffalo, horses, sheep, goats, deer, camels, alpacas, llamas and bees.

This **NT Health Certificate and Waybill** is specifically for **(deer, camels, alpacas and llamas only)**.

For cattle and buffalo use the **NT Health Certificate and Waybill (cattle and buffalo)**

For horses use the **NT Health Certificate and Waybill (horses only)**

For goats use the **NT Health Certificate and Waybill (goats only)**

For sheep use the **NT Health Certificate and Waybill (sheep only)**

Failure of having a completed **NT Health Certificate and Waybill** on entry to the Northern Territory is an offence under the *Livestock Act* and *Regulations* and may incur a penalty or prosecution.

For further information on entry requirements for livestock entering the NT Contact:

Principal Livestock Biosecurity Officer (PLBO)

Livestock Biosecurity Branch, Biosecurity & Animal Welfare (BAW)
Department of Primary Industry & Resources (DPIR)
GPO Box 3000, Darwin NT 0801

Ph: 08 8962 4458 | Fax: 08 8962 4480 | E-mail: nthealthcertificate@nt.gov.au

On completion of the NT Health Certificate and Waybill a copy MUST be sent to:

Regional Livestock Biosecurity Officer (RLBO) located at the Destination Property – Regional Office or via email nthealthcertificate@nt.gov.au or

Darwin – Email or Post

Tennant Creek – Fax: 08 8962 4480

Katherine – Fax: 08 8973 9759

Alice Springs – Fax: 08 8951 8123

Sections 1, 2, 3, 4, 7, 8 and 9 must be completed for all livestock entering the NT. Section 8 must be completed by the truck driver of the travelling of livestock.

Deer - In addition to sections 1, 2, 3, 4, 7, 8 and 9, section 5 and 6 if the origin property is in Queensland, New South Wales or Western Australia.

Camels, Alpacas and Llamas - In addition to sections 1, 2, 3, 4, 7, 8 and 9 sections 5 and 6 if the origin property is in Queensland, New South Wales or

Western Australia.

Permit/s required for Alpacas, Llamas and Deer only

If a person is bringing Alpacas, Llamas or Deer into the NT to keep permanently then they will need an **Import permit** and a **Keep permit** prior to entry;

or

For people who bring in Alpacas, Llamas or Deer temporarily then Parks and Wildlife Commission would only request an **Import** and **Export permit**.

Contact **NT Parks and Wildlife Commission's Permits Office**.

Ph: 08 8999 4486 | Fx: 08 8999 4524 | E-mail: pwpermits@nt.gov.au

CATTLE TICK

Deer, camels, alpacas and llamas coming from a property originating in Queensland, New South Wales or Western Australia are required to have a clean inspection and a supervised plunge dip prior to entry to the NT, unless from a tick free area.

Deer, camels, alpacas and llamas coming from a property in the tick free area that neighbors or is geographically connected to a tick infected or infested property requires a clean inspection.

These requirements for entry must get the NT Health Certificate certified by an approved inspector from the origins State Department of Agriculture (or equivalent).

No treatment or endorsement by an inspector for cattle tick is required if Deer, camels, alpacas and llamas originate from South Australia, Victoria or Tasmania.

Johne's Disease (Section 4)

Johne's Disease means the infection in livestock that is caused by the bacteria *Mycobacterium avium subsp. Paratuberculosis*.

Farm Biosecurity Plan means a plan completed and signed by a property owner, for the purpose of biosecurity and Johne's Disease management on the property, in accordance with the principles contained in the *National Farm Biosecurity Reference Manual – Grazing Livestock Production*. Refer to:

<http://www.farmbiosecurity.com.au/toolkit/plans-manuals/national-farm-biosecurity-reference-manual-grazing-livestock-production/>

For Further information on Johne's Disease go to Animal Health Australia website:
