BUILDING NOTE

Contact Officer Mike Balch

Edition Number. 5 - 08/94

INTRODUCTION DATES IMPACTING ON THE PROCESS OF BUILDING CONTROL

The Minister, Building Controller (1983 Building Act) and Director of Building Control (1993 Building Act) have by way of Government Gazette and Policy Statements, established dates for various changes which impact on the Building Control Process.

These changes have included the adoption of new Acts, Regulations, Building Codes and Amendments and general policies associated with the Building Control Process.

The attached schedule is a record of the changes that have occurred and may be considered by Certifiers when processing a Permit to Build, Permit to Occupy or in issuing Status Reports.
