1 Conditions of Tendering

1.1 General

Unless the contrary intention is indicated this RFT is to be interpreted in the same manner and words have the same meaning as in the Conditions of Contract.

In these Conditions of Tendering the following definitions apply:

'Addendum' means any document expressly stated to be an Addendum, which is issued by the Principal varying some provision in the original RFT prior to the stated closing time and date.

'RFT' means the request for tender inviting offers and includes all conditions, annexures, schedules, attachments and addenda.

'Tender' means all documents lodged by the Tenderer in response to the RFT.

'Tenderer' means the person lodging a Tender in response to the RFT.

1.2 Lodgement of Tenders

For the Tender to be considered, the Tenderer shall complete and submit one copy of the documents listed in the section of the Annexure to the Conditions of Tendering and Contract titled "Documents to be Lodged" (ie. all Response Schedules):

- a) in English;
- b) in the form required; and
- c) to be fully received by the stated time and date for closing of the Tender.

Any Tender that does not comply with these conditions or which contains provisions not required or allowed by the RFT may result in the Tender being declared ineligible for consideration.

Oral Tenders or Tenders submitted electronically (other than via the Quotations and Tenders Online eLodgement Service or by facsimile) shall be declared ineligible for consideration.

The Principal will not be liable for any expense or loss, which may be incurred by any Tenderer in the preparation of its Tender. Once lodged, the Tender shall become the property of the Principal.

1.2.1 Closing Time and Date

Tenders will close at the time and on the date stated on the front cover of the RFT.

1.2.2 Lodged By Hand

Tenders delivered by hand (including by a commercial courier service) are **not permitted**. Any Tender submitted by hand or commercial courier service shall be declared ineligible for consideration.

1.2.3 Lodged by Post

Tenders sent by prepaid post must be directed to the postal address stated on the cover of the RFT.

1.2.4 Lodged by Facsimile

Tenders sent by facsimile must be directed to the facsimile number stated on the cover of the RFT.

1.2.5 Lodged by Electronic Lodgement

Where electronic lodgement has been allowed, Tenders sent by electronic lodgement must be:

- a) submitted using the eLodgement button via the Quotations and Tenders Online eLodgement Service as stated on the front cover of the RFT; and
- b) in the electronic format as specified (ie .arf, .doc, .docx, .jpg, .pdf, .rtf, .tif, .txt, .xls, .xlsx, .zip).

Tenders lodged in an unspecified electronic format will be invalid and the Tender will be declared ineligible for consideration.

Where selected Tenders have been sought and access to the RFT is provided from a link contained in the covering email sent inviting the submission of an offer, Tenders must be submitted electronically using the same e-mail link.

The Tender may be admitted for consideration on the basis that the transmission of the Tender is acknowledged by the Tenderer as being the true and legal version and is completed, submitted and acknowledged by the stated time and date for closing of Tenders.

In choosing to use the eLodgement option, Tenderers agree to comply with the conditions of use, of the Quotations and Tenders Online eLodgement Service.

If, for any reason, the electronic Tender (with the exception of the pricing schedule[s]) submitted becomes corrupt, illegible, inadequate or incomplete as a result of transmission, storage, etc. a hard copy or a further electronic copy of the Tender must be provided by the Tenderer on request from the Principal. Pricing schedule(s) submitted electronically that become corrupt, illegible, inadequate or incomplete as a result of transmission, storage, etc will result in the Tender being declared ineligible for consideration.

1.2.6 Late Tenders

Tenders received (in full or part) after the stated time and date for closing of Tenders are ineligible for consideration.

Notwithstanding the preceding paragraph Tenderers may appeal such decisions however:

- a) Tenders submitted by prepaid post, received after the stated time and date for closing of Tenders may be considered only if it can be established to the satisfaction of the Procurement Review Board that the Tender was posted or despatched before the stated time and date for closing of Tenders and in the ordinary course of business would not have been received late. Impressions of company owned franking machines are not acceptable evidence of timely posting or despatch.
- b) Tenders submitted via the Quotations and Tenders Online eLodgement Service may be considered only if it can be established to the satisfaction of the Procurement Review Board that they were submitted before the stated time and date for closing of Tenders, as evidenced in the acknowledgment of receipt from the NT Government Tender Lodgement host server.
- c) The Procurement Review Board may, but is not obliged to, consider Tenders that appear to its satisfaction to have been submitted prior to the stated time and date for closing of Tenders where those Tenders were not received before the stated time and date for closing of Tenders because of a fault or failure of Quotations and Tenders Online eLodgement Service.
- d) Times and dates displayed on transmissions from company owned facsimile transmission devices are not acceptable evidence of timely transmission.

1.3 Tenderers to Inform Themselves

Tenderers at their own expense, shall inform themselves fully of all circumstances and conditions relating to submitting a Tender, including compliance with all legislation applicable to performance of the Services, an inspection of the Site if applicable, and shall satisfy themselves as to the correctness and sufficiency of the RFT documentation.

The NT Government Procurement Framework including the NT Procurement Code is available from the web address
www.dob.nt.gov.au/business/tenders-contracts/legislative_framework/Pages/default.aspx

1.4 Compliance with NT Procurement Code

- a) In preparing its Tender, submitting its Tender and throughout the tendering period and process the Tenderer shall comply with the Northern Territory Procurement Code ('Code').
- b) A copy of the Code is available at the web address specified in the clause entitled "Tenderers to Inform Themselves".
- c) If the Principal:
 - i. has evidence that the Tenderer has not complied with the Code; or
 - ii. is of the reasonable opinion that the Tenderer has not complied with the Code,

the Principal may, at its absolute discretion, deem the Tender submitted by the Tenderer to be ineligible for consideration.

1.5 Enquiries

Should the Tenderer:

- a) have any doubts as to the meaning of any part of the RFT; or
- b) find any discrepancy or error; or
- c) find any omission in the RFT (for example all pages are not numbered consecutively and that all drawings, attachments or supplements referred to are not included, etc.);

the Tenderer shall seek clarification in writing (which may be by means of electronic transmission) from the person specified in the Annexure, as early as possible but in any event before the stated time and date for closing of Tenders.

Where attachments or supplements have been referred to in any section of the RFT these should be read in conjunction with the section to which they refer.

Any clarification given pursuant to this clause may also be issued to all other prospective Tenderers. No explanation or amendment to the RFT shall be recognised unless in the form of a written addendum issued by the Principal.

It is the sole responsibility of Tenderers to ensure that their contact details held by Quotations and Tenders Online Service are correct and up-to-date in order for them to receive any written addendum issued by the Principal.

Any Tenderer who believes the RFT to be discriminatory, restrictive or biased should inform the Director, Contract and Procurement Services in writing to CAPSAssist@nt.gov.au as early as possible, but in any event before the stated time and date for closing of Tenders.

Prior to submitting a Tender, the Tenderer **must** attend a **mandatory Site Inspection**. The Site Inspection shall be held at the location, date and time specified in the Annexure.

All prospective Tenderers must attend the Site Inspection regardless of any previous knowledge or familiarity with the Site. Subsequent or alternative inspections for individual Tenderers will not be permitted. Any additional information provided at the Site Inspection will be distributed to Tenderers by issue of an addendum.

In addition to attending the Site inspection the Tenderer is required to have the Schedule of Attendance at the Mandatory Site Inspection (**'Schedule'**) (which is included in the Response Schedules) signed by the Principal's Officer conducting the Site Inspection. The completed and signed Schedule must be lodged as part of the Tenderer's Tender. Where the Tender is lodged electronically via the Quotations and Tenders Online eLodgement Service, the Schedule shall include the signature of Principal's Officer conducting the Site Inspection (ie be a scanned document lodged in .pdf format or similar).

A Tenderer may authorise a third party to attend the mandatory Site Inspection as its authorised representative, however, it remains the responsibility of the Tenderer to have the Schedule of Attendance at the Mandatory Site Inspection completed and attendance on its behalf noted in the Principal's record of attendees at the Site Inspection.

Failure to attend the Mandatory Site Inspection and/or lodge the signed Schedule where expressed as mandatory will result in the Tenderer's Tender being declared ineligible for consideration.

Failure to attend the Mandatory Industry Briefing and/or lodge the signed Attendance Record where expressed as mandatory will result in a Tenderer's Tender being declared ineligible for consideration.

The Procurement Review Board shall be the sole arbiter of any Tender declared ineligible for consideration under the provisions of this clause.

1.8 Site Rules

Tenderers are advised that there may be restrictions on carrying out the Services to be performed at the Site. Tenderers shall become familiar with the rules and regulations in force at the Site as issued by the relevant authority.

Where Site Rules apply the Tenderer if awarded the Contract will be required to comply with the Site Rules and to ensure that their employees and sub-consultants undertaking work within the Site are made aware of the Site Rules, their application and that they comply with the Site Rules.

1.9 Signing of Documents

The Tenderer shall sign its Tender as indicated below:

1.10 Tender Validity

Tenders shall remain valid for the period stated in the Annexure. If a Tender is not formal in accordance with these Conditions of Tendering, the Tender validity period shall commence from the date on which the Tender is formalised to the satisfaction of the Principal. A Tenderer may withdraw its Tender at any time after the expiration of the Tender validity period, but shall not withdraw its Tender prior to the expiration of such period unless such withdrawal is accepted by or on behalf of the Principal.

1.11 Alternative Tenders

Tenderers may submit alternative tenders where the Annexure states that alternative tenders are allowed. Where the Annexure specifies that an alternative tender must be accompanied by a conforming tender, a conforming tender must be submitted with the alternative tender.

Alternative tenders must be clearly identified as an “Alternative Tender”.

Tenderers are encouraged to offer options or solutions, which may (for example in a novel or innovative way) contribute to Principal’s ability to carry out its business in a more cost-effective manner. These may be related to the outputs; or functional, performance and technical aspects of the requirement.

Where a Tenderer submits an offer which meets the requirements in an alternative and practical manner, it shall include any supplementary material, together with associated prices, which demonstrates in detail that such an alternative will fully achieve and/or exceed all the specified requirements, together with references as to why the additional features may be advantageous.

1.12 Part Offer and Part Acceptance

Unless otherwise stated in the Annexure, Tenderers may tender a portion or for the whole of the Services.

Where part offers are allowed, the Principal reserves the right to accept a portion or the whole of any Tender at the price or prices tendered unless the Tenderer specifically states to the contrary in its offer.

1.13 Taxes, Duties, Fees etc.

The Tenderer shall ensure the Tender is inclusive of all taxes, fees, duties, royalties, premiums, costs, charges and the like which will be due and payable to any person or authority under the Contract.

1.14 Pricing

All prices shall be stated in Australian dollars and where applicable be inclusive of GST. Unless otherwise indicated prices shall allow for labour, materials, transport, freight, overheads, profits and all other costs applicable.

Any Schedule of Rates/Fees, which is included in the Response Schedules shall be completed and lodged with the Tender. Unless otherwise allowed, pricing shall be submitted for each item in the Schedule.

Any Tender in which the Schedule is not fully completed as required may result being declared ineligible for consideration.

Unless otherwise stated, any quantities given in the RFT are not guaranteed as to the amount of the Services to be undertaken under the Contract, but shall be used for assessment purposes only. The Principal will only be liable for the acceptance, subject to Contract, of the Services ordered.

1.15 Competitive Neutrality

Government owned businesses, Local, Territory, State and Federal Government agencies and authorities responding to public tenders must submit two prices against each item in the pricing schedule provided. One price is to be the tendered price offered and the other being the adjusted competitively neutral price. The competitively neutral price is to be prepared in accordance with the “Northern Territory Government Competitive Tendering Guidelines”. A copy of the Guidelines is available from the place of issue of the RFT documents or from the following web address:

www.dob.nt.gov.au/business/tenders-contracts/legislative_framework/tendering-contract/Pages/competitive-neutrality.aspx

1.16 Panel Period Contract

If so stated in the Annexure, the Principal will establish Panel Period Contracts for the Services specified in the RFT. The Contracts will be for either:

- a) specific requirements at fixed Unit Rates; and/or
- b) for a general scope of requirements without any rates/prices, and for which firm offers will be periodically sought from the Consultants.

For practical reasons the Principal reserves the right to fix the size of the panel to a limited number of Consultants who best meet the selection criteria.

The Panel Period Contracts will be administered in accordance with the provisions of the sub-clause titled "Panel Period Contract" of the Conditions of Contract.

1.17 Common-Use Contract

If so stated in the Annexure, the Principal will establish a common-use contract for the Services specified in the RFT.

If the Contract is designated common-use, it is expected that all Agencies will utilise the Contract for the provision of the Services of the nature and type specified in the Contract.

If the Contract is not designated common-use, Agencies (other than the Agency(s) nominated) are not bound to use the Contract but may utilise the Contract subject to agreement with the Consultant.

1.18 Industry Accreditation

If the Annexure states that the Tender is subject to Industry Accreditation and the Contract shall be either a **Period Contract** or **Panel Period Contract** arrangement:

- a) a Tenderer tendering for the Services; and
- b) a Tenderer's sub-consultants and their sub-consultants proposed to undertake sub-contract work valued at \$50,000.00 and greater,

must, at the time the Tenderer submits its Tender, be accredited by Contractor Accreditation Limited (CAL) to a **rating that is equal to or higher than the six (6) monthly value** of the Tenderer's Tender or the sub-consultants' work, in an applicable CAL category/group/sub-group satisfactory to the Principal.

The Tender, in the spaces provided shall state:

- a) the Tenderer's CAL Registration Number; and
- b) the CAL Registration Numbers of all applicable sub-consultants.

If, at the time of submitting its Tender, the Tenderer has an existing CAL accreditation in an applicable CAL category/group/sub-group, but requires an upgrade of the rating in that category/group/sub-group in order to tender for the works set out in the RFT, the Tenderer has fourteen (14) calendar days from the stated time and date for closing on the front cover of the RFT to:

- a) obtain an upgrade of the rating of that existing CAL accreditation; and

- b) provide written evidence of the upgrade in of the rating to the Agency Project Officer identified in the RFT.

If written evidence from the Tenderer, of the upgrade in CAL accreditation, is not provided to the Agency Project Officer by the time that is fourteen (14) calendar days from the stated time and date for closing of Tenders (i.e. 2:00 pm, fourteen (14) calendar days after the stated time and date for closing of Tenders as specified on the front cover of the RFT), the Tender will be deemed non-conforming and declared ineligible for further consideration.

For the avoidance of doubt, where the Tenderer intends to obtain an upgrade of the rating of its existing CAL accreditation, it is still required to submit its Tender by the stated time and date for closing on the front cover of the RFT.

Nothing in this clause allows a Tenderer to obtain CAL accreditation in a new CAL category/group/sub-group in relation to the works tendered for after the stated time and date for closing of Tenders.

Any Tender not complying with the requirements of this clause may be invalid and declared ineligible for consideration.

The Procurement Review Board shall be the sole arbiter of any Tender declared ineligible for consideration under the provisions of this clause.

Contractor Accreditation Limited (CAL) administers the accreditation process. More information on CAL, accreditation details and application forms can be found at the web address www.accreditation.com.au or is available from:

The NT Government is committed to supporting businesses that use local contractors and suppliers and hire and train Territorians. Tenderers must include in the Response Schedules provided and submit with its Tender, details of sub-consultants/suppliers to be used (where applicable), Indigenous employees and all employees undertaking accredited training.

Employees listed as undertaking accredited training through an apprenticeship or trainee pathway will only be recognised as being compliant for Tender purposes if:

1.21 Change to the Conditions of Contract

1.21.1 Conditions of Tendering

Tenderers **are not permitted** to request changes or propose alternatives to the Conditions of Tendering applicable to the RFT. Any Tenderer who attempts to do so will have their Tender declared ineligible for consideration.

1.21.2 Conditions of Contract

Tenderers may request changes to the Conditions of Contract applicable to this RFT, or propose alternative Conditions of Contract **only** if stated in the Annexure that this is allowed.

Where Tenderers request changes to the Conditions of Contract or propose alternative Conditions, they must clearly specify in the appropriate section of the Response Schedules the changes to the Conditions that are being requested or the alternative Conditions that are being proposed.

Where Tenderers request changes to the Conditions of Contract or propose alternative Conditions of Contract, they do so at their own risk, as the changes will be deemed to have formed part of their offer and their Tender will be assessed on that basis. If the requested changes or the alternative Conditions included in a Tender are not acceptable to the Principal, the Tender will not be successful.

If the RFT states that the changes to the Conditions of Contract or alternative Conditions are not allowed, then Tenderers may not request changes to the Condition of Contract applicable to this RFT, or propose alternative Conditions of Contract. If a Tenderer does so, their Tender will be declared ineligible for consideration.

Nothing in this clause affects the Principal's right to negotiate with one or more Tenderers as provided for in this RFT.

1.22 Treatment of Low or Aberrant Prices

Where a Tender price (or a key element of a Tender price) is considered well below the median price and/or the Services estimated value, the Tenderer, as a part of the assessment process, may be requested to confirm the tendered price and /or respond to questions regarding particular aspects of the Tender. The Tenderer may also be asked to provide written confirmation that the scope of requirement and contractual obligations are fully understood. Where the price submitted is confirmed the Principal will, at its discretion, either:

- a) proceed with the evaluation of the Tender; or
- b) where there is evidence that acceptance of the Tender may pose a substantial risk to the provision of the Services and the sustainability of the Tenderer, give consideration to passing over that Tender.

1.23 Disclosure of Weightings

The assessment criteria and percentage weightings applicable to the RFT are detailed in the Annexure.

Although Tender assessment criterion may include sub-criteria, percentage weightings shall only be published as a cumulative percentage against the tender assessment criterion. If sub-criteria are used and the sub-criteria are to be given percentage weightings, the weightings applying to the sub-criteria shall not be disclosed or published.

The clause titled "Tender Assessment Criteria" in the Conditions of Tendering provides examples of the types of consideration that may form part of each criterion if not stated as sub-criteria.

The Principal reserves the right to apply percentage weightings to each criterion in its total discretion, having regard to the required outcomes of the Tender.

1.24 Tender Assessment Criteria

Tender responses will be scored against the assessment criteria. Selection of the successful Tenderer will be based on a best value for money assessment of Tenders against the Tender assessment criteria requested in the Response Schedules.

The elements under each criterion are offered for the purpose of providing Tenderers examples of the types of consideration that may form part of each criterion. These elements as stated under each criterion are not to be considered exclusive to any specific tender.
