### 1.4 TENDER VALIDITY

Tenders shall remain valid for the period stated in the Annexure. If a Tender is not formal in accordance with these Conditions of Tendering, the Tender validity period shall commence from the date on which the Tender is formalised to the satisfaction of the Principal. A Tenderer may withdraw its Tender at any time after the expiration of the Tender validity period, but shall not withdraw its Tender prior to the expiration of such period unless such withdrawal is accepted by or on behalf of the Principal.

### 1.5 PERFORMANCE PLAN

If it is stated in the Annexure that a Performance Plan is required then the Tenderer is to submit a Performance Plan Proposal with the Tender.

If required, any Tender in which the Performance Plan Proposal is not provided may be considered as informal and rejected.

## 1.6 INDUSTRY ACCREDITATION

If the Annexure states that the Tender is subject to Industry Accreditation:

- a) a Tenderer tendering for the Services; and
- b) a Tenderer's sub-contractors and their sub-contractors proposed to undertake sub-contract work valued at \$50,000.00 or greater,

must, at the time the Tenderer submits its Tender, be accredited by Contractor Accreditation Limited (CAL) to a rating of no less than the value of the Tenderer's Tender or the sub-contractors' work, in an applicable CAL category or sub-category.

The Tender must state:

- a) the Tenderer's CAL Registration Number on the Tender Form; and
- b) the CAL Registration Numbers of all proposed sub-contractors on the Schedule of Proposed Sub-contractors.

If, at the time of submitting its Tender, the Tenderer has an existing CAL accreditation in an applicable CAL category or sub-category, but requires an upgrade of the rating in that category or sub-category in order to tender for the works set out in the RFT, the Tenderer has 14 calendar days from the stated time and date for closing on the front cover of the RFT to:

- a) obtain an upgrade of the rating of that existing CAL accreditation; and
- b) provide written evidence of the upgrade in of the rating to the Agency Project Officer identified in the RFT.

If written evidence from the Tenderer, of the upgrade in the rating of the CAL accreditation, is not provided to the Agency Project Officer by the time that is 14 calendar days from the stated time and date for closing of Tenders (i.e.2:00 pm, 14 calendar days after the stated time and date for closing of Tenders as specified on the front cover of the RFT), the Tender will be deemed non-conforming and will not be admitted for consideration.

For the avoidance of doubt, where the Tenderer intends to obtain an upgrade of the rating of its existing CAL accreditation, it is still required to submit its Tender by the stated time and date for closing on the front cover of the RFT.

Nothing in this clause allows a Tenderer to obtain CAL accreditation in a new CAL category or sub-category in relation to the works tendered for after the stated time and date for closing of Tenders.

Any Tender not complying with the requirements of this clause may be invalid and set aside. The Procurement Review Board shall be the sole arbiter of any Tender set aside under the provisions of this clause.

Contractor Accreditation Limited (CAL) administers the accreditation process. More information on CAL, accreditation details and application forms can be found at the web address [www.accreditation.com.au](http://www.accreditation.com.au) or is available from:

### 1.8 ALTERNATIVE TENDERS

Tenderers may submit alternative Tenders where the RFT states that alternative Tenders are allowed. Where the RFT specifies that an alternative Tender must be accompanied by a conforming Tender, a conforming tender must be submitted with the alternative Tender.

Alternative Tenders must be clearly identified as an “Alternative Tender”.

Tenderers are encouraged to offer options or solutions, which may (for example in a novel or innovative way), contribute to Principal’s ability to carry out its business in a more cost-effective manner. These may be related to the outputs; or functional, performance and technical aspects of the requirement.

Where a Tenderer submits an offer which meets the requirements in an alternative and practical manner, it shall include any supplementary material, together with associated prices, which demonstrates in detail that such an alternative will fully achieve and/or exceed all the specified requirements, together with references as to why the additional features may be advantageous.

### 1.9 TAXES, DUTIES, FEES ETC

Tenderers shall make due allowance for any fees, duties, royalties, premiums, costs, charges and the like which will be due and payable to any person or authority under the Contract.

Tenderers shall submit a Tender that includes GST.

### 1.10 PRICING

All prices shall be stated in Australian dollars. Unless otherwise indicated prices shall allow for labour, materials, transport, freight, overheads, profits and all other costs as applicable.

Any Schedule of Rates, which is included in the RFT shall be completed and lodged with the Tender. Pricing shall be submitted for each item in the Schedule. Any Tender in which the Schedule is not fully completed may be regarded as informal and rejected.

### 1.11 COMPETITIVE NEUTRALITY

Government owned businesses, Local, Territory, State and Federal Government agencies and authorities responding to public tenders must submit two prices against each item in the pricing schedule provided. One price is to be the tendered price offered and the other being the adjusted competitively neutral price. The competitively neutral price is to be prepared in accordance with the “Northern Territory Government Competitive Tendering Guidelines”. A copy of the Guidelines is available from the place of issue of the RFT documents or from the following web address:

[www.nt.gov.au/dbe/tendering/competitive\\_neutrality/competitive\\_neutrality.html](http://www.nt.gov.au/dbe/tendering/competitive_neutrality/competitive_neutrality.html)

### 1.12 PART OFFER AND PART ACCEPTANCE

Unless otherwise stated in the Annexure, Tenderers shall offer for the whole of the Services.

Where part offers are allowed, the Principal reserves the right to accept a portion or the whole of any Tender at the price or prices tendered unless the Tenderer specifically states to the contrary in its offer.

### 1.13 CHANGE TO THE CONDITIONS OF CONTRACT

Tenderers may request changes to the Conditions of Contract applicable to the RFT, or propose alternative Conditions of Contract only if stated in the Annexure that this is allowed.

Where Tenderers request changes to the Conditions of Contract or propose alternative Conditions, they must clearly specify in the Tender Response Schedules that changes to the Conditions are being requested or that alternative Conditions are being proposed.

Where Tenderers request changes to the Conditions of Contract or propose alternative Conditions of Contract, they do so at their own risk, as the changes will be deemed to have formed part of their offer and their Tender will be assessed on that basis. If the requested changes or the alternative Conditions included in a Tender are not acceptable to the Principal, the Tender will not be successful.

If the RFT states that the changes to the Conditions of Contract or alternative Conditions are not allowed, then Tenderers may not request changes to the Condition of Contract applicable to the RFT, or propose alternative Conditions of Contract. If a Tenderer does so, its Tender will be deemed non-conforming and will not be considered.

This clause does not allow Tenderers to request changes or propose alternatives to the Conditions of Tendering applicable to the RFT. Any Tenderer who attempts to do so will have its Tender deemed non-conforming and set aside.

Nothing in this clause affects the Principal's right to negotiate with one or more tenderers as provided for in the RFT.

### 1.14 TENDER ASSESSMENT CRITERIA

Selection of the successful Tenderer will be based on, but not necessary limited to, assessment of Tenders against the following Tender Assessment Criteria and the price(s) submitted.
