

Automatic mutual recognition notification

By using this form, you are notifying of your intent to work in the Northern Territory under Part 3A of the [Mutual Recognition Act 1992](#).

Individuals who hold a valid and current occupational registration or licence in another state or territory are able to apply for automatic mutual recognition (AMR) in the Northern Territory (NT) without needing to pay additional fees or apply for a separate registration.

While working in the NT, you are required to comply with all relevant NT legislation, including only working within the scope of work that you are authorised to do so under your interstate licence or registration.

Please read the form carefully as some occupations need to supply extra information, such as evidence of employer details*, professional indemnity insurance and a net assets certificate.

If you intend to change your home state to the NT, you are required to apply for the relevant licence in the NT. Fees may apply.

Please note, companies and property agent sole traders **cannot** apply under AMR.
