Privacy statement

The Department of Industry, Tourism and Trade respects and is committed to safeguarding the confidentiality and privacy of the information that it collects and handles, in accordance with the [Northern Territory Information Act 2002](#).

Under the Livestock Act 2008 and Regulations 2009 where livestock are kept a property identification code (PIC) is required. You have been asked to provide personal information necessary to register your property with a PIC and/or update your PIC/Property details. If you choose not to provide the personal information required we might not be able to accept or process your application, or your application may be refused.

Some of the information provided by you will be made publicly available through the internet, as part of a public register published on the [NT Government website](#). This will be limited to the PIC, property name, street address, region, LGA, active biosecurity management plan and PIC Register last updated date.

The information you provide will be accessible to the Department of Industry, Tourism and Trade and will only be used to provide a department service or program.

We will not disclose your personal information to third parties unless:

- authorised or required by law to do so
- you have given us your consent to share your personal information for a specific purpose.

You may request access to the personal information we hold about you. To find out more read our [privacy policy](#). If you want more information about the Northern Territory's privacy laws, please refer to the [Northern Territory Information Act 2002](#), or the [Office of the Information Commissioner NT](#)
