

# Welcome to the Casuarina Coastal Reserve Mountain Bike Trails

## Mountain Bike Trail Ratings

**Easy.** Suitable for beginner / novice mountain bikers, families and children. Some gentle gradients and minor obstacles.

**Intermediate.** Suitable for riders with some off-road experience. Obstacles, variation in terrain, and some steep sections. Caution – cyclists may be travelling at speed.

**Advanced.** Suitable for experienced riders. Challenging terrain and frequent obstacles.

**Note:** Unmarked and unmaintained trails exist within the Reserve. Please only use the designated trails shown on the map.
